## Drug Arrest Evictions Overview Reported Quarterly: 2011 - 2013

### Drug Arrest Evictions 2011 – 2013

Council requested an update on the process utilized by the Cincinnati Police Department to evict drug dealers. The process begins when a drug arrest occurs in a private residence. Within three days of the arrest, Central Vice Control officers send a certified letter to the building owner advising them, pursuant to City Code, the involved party can be evicted. The involved party often leaves without official order. If the involved party refuses to leave, Central Vice Control officers seek formal court eviction orders.
